### FURNISHED ROOM

**NEEDED:** Looking for a room to rent or sublet from October 10, 2018 until February 16, 2019. During this period, I will be in Boston to work on a

research project at the Psychology department at Harvard. I am looking for a furnished room, preferably in or near Harvard square, but I don't mind travelling a bit. I can afford a room up to \$950/mo. inc. utilities. Let me tell you a bit about myself. I am 30 years old, engaged, and from Amsterdam, the Netherlands. I obtained my master's degree in

Psychology in 2015, and immediately after that I started my research to get my PhD, which I hope to finish in early 2020. My hobbies include reading, cooking and baking, seeing movies/series, softball and crossfit. Hope to hear from you!
