WJH VOIP PHONE MIGRATION OCT 13TH

On October 13th, 2016 your phone will be transitioned to the new Harvard Phone platform (for all units that have not opted out of the program.) Harvard Phone replaces the current Centrex phone system and offers newer, more modern features to help improve the way you work and communicate at Harvard. New telephone sets will be placed on Thursday, October 6th, and training sessions for WJH occupants are scheduled on Tuesday, October 11th, in WJH 1550. To sign up for a training session, and to learn more about the Harvard VOIP phone conversion, please visit: http://phone.harvard.edu.
