THE WJH COFFEEHOUSE/OPEN MIC: THIS THURSDAY, APRIL 19TH, 4:30-6:30 PM, WJH LIBRARY

WJH Building Operations will be hosting the WJH Coffeehouse from 4:30-6:30 PM, on Thursday, April 19th, in the WJH Library, on the first floor. We're looking for talent among the WJH community who are interested in performing. Your hosts, acoustic rock/folk/blues duo Willie T & Doctor X (aka Bill Santoro and Michael Higgins) will open the show, and will provide microphones and sound system for the performers. Chris D’Amore’s bluegrass band, Cousin Bobby, will be our featured artists.

We have a couple of singers at WJH who would like to perform during the open mic portion of the show, but they need someone to accompany them on piano. We have an electronic piano on hand if you are interested in helping them out (and perhaps performing something yourself). Refreshments will be served, courtesy of the academic departments at WJH. If you'd like to share your talent with the rest of us for a fun evening, please contact Bill Santoro at 5-3801 or email wjs@wjh.harvard.edu.
