PRESIDENTS' DAY HOLIDAY CLOSING

William James Hall will be closed for holiday on Monday, February 18th, in observance of President's Day. HVAC will be on a reduced schedule. Entry to the building will be by authorized Harvard ID access only. The guard is not authorized to let people without electronic access into the building. If you are expecting visitors, please plan to meet them at the front door at a pre-arranged time, and then into and out of the building. Be sure to sign your guests in and out of the visitors' log at the guard's desk. Please be aware of your surroundings when entering the building, and don't provide an opportunity for persons unknown to you to "piggyback" on your card tap as you enter. Call HUPD at 5-1212 if you see anything suspicious. Emergency (blue-light) phones are located on the east courtyard wall (street side), and in the rear of the building between the two rear fire doors. For all other emergencies, please call the Harvard Operations Center at 5-5560.
